

6/3 Network New Member Packet

<http://63network.weebly.com>

Welcome to the 6/3 Network!

The Stafford Virginia 6/3 Network is a group of business owners joining weekly to support each other's businesses through the power of networking. We are local business owners committed to quality products and services and committed to giving back-providing for our community through charitable giving.

We revere entrepreneurial spirit and support it through fostering relationships and sharing access to resources and clients.

Included in this packet is the information and forms required to join the group as an Affiliate Member...

Our group has a non-compete environment where only one person, with affiliate member status, can represent any given business category.

- Membership requires you to attend 3 meetings concurrently and to pay yearly dues of \$25.00
- For your second meeting, please bring some information about your business and the filled application form, which can be found below for download and printing or found within your new member packet. We recommend a written description of your business for Board member review. If you have brochures, booklets or any other type of literature that can help in the review process, please bring them along too. The review is necessary to ensure we keep a non-compete environment at our meetings. The Board will review your business and determine your eligibility for full membership status in our group.

Your third meeting is when you would remit payment of your yearly dues. No member will be accepted to our group without full payment of the yearly dues. The board will announce their determination of your eligibility.

As a guest at your first three meetings, you will be allotted 30 seconds to introduce yourself, your business and the types of referrals you are seeking. Please refrain from passing your business card during this trial period but feel free to network after the formal meeting has concluded. When you attain full membership, your allotted time is increased to a full 60 seconds and you will be afforded all the benefits of full membership listed below.

That's it!!

You are now a member of the 6/3 Network with affiliate membership status.

- After you become an Affiliate Member, you must attend 1 out of every 3 meetings in order to maintain your affiliate membership. Otherwise, a competing business will be allowed to fill your position.
- Upon becoming a member, to help promote the 6/3 Network, you will receive a T-shirt to be worn to all 6/3 Network community functions and 100 business cards with information for the 6/3 Network to hand out to prospective members to increase membership.
- If you have any questions, please feel free to ask a member of the Membership Committee or any Board Member.
- We are always looking for new members. If you know of someone who is a small business owner and who may be interested in becoming a member, please feel free to invite him or her. Thank you for your interest in the 6/3 Network.

List of Other Networking Groups You are A Member Of or Attend:

Upon reviewing your application, the membership committee will determine if a seat is available for your business type and that your inclusion as a member meets the 6/3 Network Guidelines and by-laws.

If it is determined that your membership would conflict with or is a repetition of an already represented business you will receive guest membership status. You will be welcome to visit once a month as a guest and you will be placed on a waiting list should the seat for your business type become vacant.

*****You may represent more than one business. However, you may only hold the exclusive seat on only one business type. You must designate your primary business on this application.**
